ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The Annual Percentage Yield (APY) is a percentage rate reflecting the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts the Dividend Rate & Annual Percentage Yield (APY) may change daily as determined by the Credit Union's Board of Directors. The Dividend Rates and APYs are the prospective rates and yields the Credit Union anticipates paying for the applicable dividend period. The Money Market, Health Savings Account (HSA) Checking, and IRA Money Market accounts are Tiered Rate

accounts. If your Daily Balance is \$24,999.99 or below, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is from \$25,000.00 to \$99,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$100,000.00 to \$249,999.99, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$250,000.00 or greater, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and APY for that balance range will apply to the full balance of your account. Rewards Checking account is a Tiered Rate account. Please refer to section 3 for additional details.

2. SMART SAVER — The Smart Saver account is a Tiered Rate account. If you meet all of the qualifications

during the calendar month, the applicable Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. The monthly qualifications include: a) deposits totaling at least \$50.00 into the account; b) maximum aggregate deposit per month is \$1,000.00, however there is no restriction on the total balance (can accumulate); c) ACH direct deposits or remotely deposited checks totaling at least \$500.00 into any non-IRA checking account (excludes any IRA and HSA accounts) with the same primary owner (membership); and d) must be enrolled in e-statements. If you do not meet the monthly qualifications you will earn the second Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule. Any deposits exceeding \$1,000.00 per month will be transferred into your Membership Share Savings account at the end of the day. Any member based withdrawals during the month will receive the "qualifications not met" rate for that month (auto sweeps for

excess deposits will not disqualify account from premium rate, but will count towards the maximum allowable withdrawal transaction restrictions for Excessive Withdrawal Fee). Only one account of this type is allowed per membership.

3. REWARDS CHECKING — The Rewards Checking account is a Tiered Rate account. If you meet all of the basic service requirements during the calendar month, the applicable Dividend Rates and Annual Percentage Yields listed for this account in the Rate Schedule will apply. Basic service requirements include:

a) you make twelve (12) debit card purchase transactions that post to and clear your Rewards Checking account during the calendar month; b) you receive e-Statements and e-Documents (must have enrolled and accepted the disclosure); and c) you have ACH direct deposits, Real Time Payment deposits, or remotely deposited checks totaling at least \$500.00 post and clear your Rewards Checking account each month.

You will earn the 'Tier A' Dividend Rate and Annual Percentage Yield if you meet the basic service requirements and have \$1,000.00 in credit card purchase transactions during the monthly qualification period. Credit Card transactions must post and settle to your CCU Visa account, and be transmitted to Consumers Credit Union by two days prior to the end of the calendar month to allow for processing. Any transactions not posted by the end of month cutoff will be counted towards the following month's Rewards criteria. Transactions may take two or more business days from the date of the purchase transaction to post to your credit card account. Transactions must be coded as a purchase. Cash advances and balance transfers will not be considered for qualification. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

You will earn the 'Tier B' Dividend Rate and Annual Percentage Yield if you meet the basic service requirements and have \$500.00 in credit card purchase transactions during the monthly qualification period. Credit Card transactions must post and settle to your CCU Visa account, and be transmitted to Consumers Credit Union by two days prior to the end of the calendar month to allow for processing. Any transactions not posted by the end of month cutoff will be counted towards the following month's Rewards criteria. Transactions may take two or more business days from the date of the purchase transaction to post to your credit card account. Transactions must be coded as a purchase. Cash advances and balance transfers will not be considered for qualification. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate

Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

You will earn the 'Tier C' Dividend Rate and Annual Percentage Yield if you meet the basic service requirements, but do not meet either of the credit card purchase transaction criteria required to earn a higher rate. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

When you meet all of the basic service requirement for the calendar month, ATM fees incurred during the month will be refunded to you. If you fail to meet any of the basic service requirements during a calendar month, the applicable Dividend Rate and Annual Percentage Yield listed for this account will apply to the entire balance in the account and your ATM fees will NOT be refunded. One Rewards Checking account is allowed per member. Business accounts are not eligible for Rewards. Qualifying credit card purchase transactions must be made using a Consumers Credit Union issued card. Credit card purchases that are returned will not count towards the credit card purchase transaction requirements. The value of the credit card purchases will be reduced by the dollar value of any returned item(s) during the qualification period in which the return was made.

4. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

5. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

6. ACCRUAL OF DIVIDENDS — For all earnings accounts, dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

7. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market, Rewards Checking, Health Savings Account (HSA) Checking and IRA Money Market accounts, there is a minimum Daily Balance required to earn

the APY disclosed for the dividend period. If the minimum daily balance is not met each day of the dividend period, you will not earn the stated APY. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day. The Credit Union reserves the right to close any accounts which are not funded within 60 days of account opening.

8. ACCOUNT LIMITATIONS — For Membership Share, Custom Savings, Special Share Savings, Smart Saver (SMSV) and Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For IRA Savings and IRA Money Market accounts, you may not make any preauthorized, automatic or telephone transfers from your account at any time. For Special Savings accounts, you may not open any other accounts. In addition, services are limited to deposits into and withdrawals from your Special Savings account. ACH withdrawals will not be permitted. Deposits of all checks (personal or business) will be held for at least nine (9) business days. For Holiday Savings accounts, the entire balance will be transferred to another account of yours on or after November 1st and the account will remain open. You may not make withdrawals from your Holiday Savings accounts at any other time. If you wish to access the funds in your Holiday Savings accounts you may close it. For Money Market accounts, the minimum amount per draft withdrawal is \$250.00. For Student Choice Checking accounts the following parameters are required: 1) available to members age 13 - 17 years old; 2) parent or legal guardian must be a joint account holder; 3) adult joint account holder will be responsible and liable for all activity on your account; 4) monthly ATM surcharge refunds, up to \$25.00, until the month after your 18th birthday; 5) Visa debit card may be issued to you with a daily limit of \$310.00; 6) requirement to convert the youth checking to a regular checking product prior to your 19th birthday and; 7) subject to a \$10 monthly fee after your 19th birthday. New accounts not funded within 30 days will automatically be closed. Open share saving or checking accounts with no transaction activity for 12 months, and a zero balance, will automatically be closed. Memberships with no transaction activity on any deposit account for a period of at least 2 years, and that have no open Share Certificates or loans, will be charged an Inactive Account Fee as disclosed in the Schedule of Fees and Charges. For Health Savings Accounts (HSA) checking accounts, you must follow the IRS HSA account rules. For Free Checking accounts, no account limitations apply.

9. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each presentation of check, draft, ATM transaction and one-time

debit card transaction (if member has consented to Courtesy Pay overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's Courtesy Pay overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for Courtesy Pay overdraft protection and the Schedule of Fees and Charges.

10. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share \$5.00

Number of Shares Required 1

11. RATES — The rates provided in or with the Rate Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

12. FEES — See separate Schedule of Fees and Charges for a listing of fees and charges applicable to your account(s).
